

CONSUMER 2016

*„We hope the collection
inspires you to thrill your
friends and your family!“*

WELCOME TO THE 2016 COLLECTION!

It's a celebration of the special ambience that comes from mixing food, design and people – what we at Duni call 'goodfoodmood'. Like all our collections, it's built around key trends and colours.

For instance, our Botanical assortment matches the popular movement around growing plants and gardening. It combines nature-inspired design with top-quality, sustainable materials. Our Red Dot award-winning range Pebbles, which is made from bagasse, is a good example of this.

And there's more news on the sustainability front. From 2016 all the unicolours in the collection will be compostable*. We are delighted to make it even easier for you to create a colourful mood and still care for our environment!

Fun, as well as care for our environment, is at the heart of the collection. And the new Fun Dining products we are launching – from colourful cups to pom-poms – show this. Perfect for playful mixing and matching, they let you introduce extra sparkle at any occasion.

We hope the collection inspires you to thrill your friends and your family!

**Except for gold and silver napkins, tablecoverings made from Dunisilk or machine glazed paper.*

ARTIC INDIGO

Today's hectic world can be exhilarating yet chaotic. A magical sea of rich azure, fresh indigo and warm Mediterranean tones provides the perfect sanctuary. To complete the tranquil mood, combine with charming old silverware, hand painted and dip dyes. Enjoy the moment!

BOTANICALS

For us at Duni, love for nature and everything green is not a trend, it's a lifestyle shift. We love eco, we adore sustainability and we are here to make a real difference. 'Nature nurtures so nurture nature' that's the mantra. Nature for us is everything – from marble to the trees, from the leaves to the flowers, from the butterflies to the bees. Last year we took you to the forest. This year we plan to get that forest home to you, giving you the possibility of experiencing outdoors – indoors. Say hello to our new Botanicals.

RAL LABEL

Most Duni candles have the **RAL Quality Mark**, which is awarded by the European Quality Association for Candles. The RAL mark guarantees the following benefits:

- The candle burns as long as stated on the package
- Minimized smoking and soot and therefore minimized contamination of the room air
- Only high-quality wicks, free of impurities, are used in production.
- The candles contain neither contaminated raw materials nor hazardous candles colours or lacquer
- Candles retain their shape, measurements and wick properties
- Safe and reliable when used according to instructions

SWAN LABEL

Many of our candles now meet the strict requirements of the Scandinavian Ecolabel Svanen. Ecolabeled candles must consist of more than **90% renewable raw materials**, have clean burning properties and limited soot emission.

We offer a large range of qualities when it comes to our materials. There is something for every occasion. For indoors, outdoors, formal or large parties. Duni quality is something you can touch and feel.

TISSUE

Made of a mixture of new and recycled fibres. Bleached chlorine free. Only colours that comply with the Food Contact Law are used. In 1-ply, 2-ply and 3-ply.

DUNILIN®

All the positive aspects of napkins. On the outside, they're extremely decorative. Wonderfully fleecy on the inside and a real pleasure to fold.

DUNI ELEGANCE®

All the benefits of linen napkins without the drawbacks: a revolutionary material with elegant embossing just like fabric and a beautiful linen shimmer.

MG-PAPER

Paper-based tablecovers. An excellent choice for large gatherings. Economical, practical and convenient in many dyed-through colours.

DUNICEL®

A unique tissue-based material. The weight makes it ideal for table covering since it folds nicely. In various formats. Very linen-like.

DUNISILK®

Our Dunisilk® material is water resistant and can be wiped clean. It offers a great value for your money since the tablecloths can be used again and again.
