 DESIGNS

▲ **ORGANIC - ALIVE IN THE LIGHT.** Inspired by the little dots of cork, Organic's micro pattern creates eye-catching effects as the light – or your perspective – changes. The colour Honey gives it a golden glow.

▼ **ZENDO - LIGHT COOL PASTEL COLOURS.** Inspired by a zen garden, versatile Zendo is suitable for both modern urban and classical settings. If you want a relaxed yet fresh mood, it works a treat.

DESIGN TRENDS FOR 2016

"The design trends reflected in our 2016 assortment explore light and dark, textures, order and harmony, handcraft, multicolours and the beauty of the natural world. They can be divided into overlapping themes: Light, Modern Romantic, Craft and Culture, Discover, Aquatic, Botanical and Bright Life."

Karin Nyhuis, Chief Designer, Duni

COMPOSTABLE DESIGNS

"**Light** is all about making a light, airy, delicate mood. It is characterised by clarity, transparency, movement, structures and marbled effects. The way artificial and natural light reveals delicate surface patterns is central to this theme."

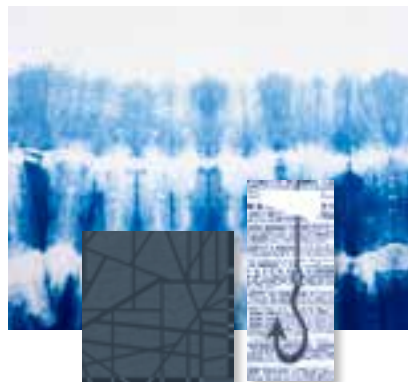

"Harmonious **Modern Romantic** has a contemporary, urban chic feel. It brings together tactile, voluminous handmade materials with basic geometric shapes and pastel shades."

see page 28, 34, 37

"**Craft and Culture** celebrates life and beauty. It blends cultural opposites, reused and recycled materials, and vibrant material mixes. For instance, cork, wood, leather, cheerful prints with shiny colours, African influences, as well as tweed and checks."

"Inspired by the moon and minerals, **Discover** stimulates the imagination. It features textiles and surfaces that look like they have been 'created' by extreme environments. Light effects and graphic lines also play a key role."

see page 43, 44, 46

"More than 'just' a colour trend, **Aquatic** is a key design trend. It brings together fresh blue and white combinations, blue tones inspired by the oceans, and Indigo - which remains an important colour."

Bright Life is an vibrant theme combing rainbow multicolours, eye-catching gradients, brush strokes and aquarelle prints. It combines exotic saturated floral motifs in all sizes and shapes, which are sometimes out of scale.

see page 48, 51

Botanical has its roots in indoor nature and the natural ecosystem. It combines different flora, fauna and animals from all over the world with matte and shiny and surfaces. It helps to create a life-enriching, exotic mood."

see page 66

2016
NEW
UNICOLOURS

▲ **CHESTNUT** is a rich tone that brings surfaces alive and meets the trends for nutty brown tones.

■ **HONEY** brings a golden glow to our palette of unicolours and heightens the intensity of other colours

▼ **MELLOW ROSE**. Meeting the trend for pastel shades, Mellow Rose creates a soft, friendly mood - without being too sweet.

COLOUR TRENDS FOR 2016

2016 will be a colourful year, but with less intensity and saturation, especially during the summer. Palettes will be light and simple. Reflecting these trends, the Duni palette combines these complimentary colour scales: Nutty, Herbal, Citrus, Raw, Spicy, Honest and Medicinal.

Karin Nyhuis, Chief Designer, Duni

NUTTY

"Think Nutty, think: dusty gold enriched caramel; creamy beiges, natural fibres, silk, linen, macrobiotics..."

CITRUS

"Think Citrus, think: sorbets, lime greens, oranges, apricot pinks, vitamin fresh..."

HERBAL

"Think Herbal, think: olive greens to pale aqua and warm grey, mineral undertones..."

SPICY

"Think Spicy, think: nutritional and vitamin reds tones, roasted and warm honey shades, caramelised notes, metallic copper touches..."

RAW

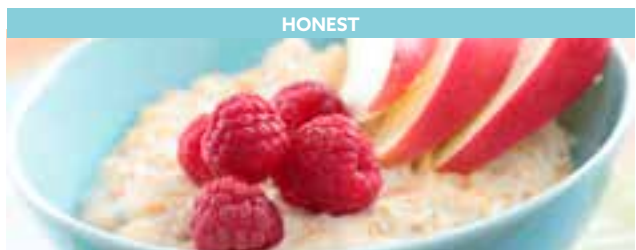

"Think Raw, think: clean, vital, natural, verdant green nuance, purple leaves, papaya leaves, the vitality of raw food..."

MEDICINAL

"Think Medicinal, think: graduation from neutral, white to dark grey with coloured blacks, sharpened tastes..."

HONEST

"Think Honest, think: straightforward pure colours lifted with pretty pastels, life-enhancing ecological shades..."

▲ **ANN-MARGRET GREEN.** The more feminine of the two colour options, Ann-Margret Green combines nicely with Candle Holder Mabel. For the icing on the cake choose a Switch & Shine Refill in matching Fuchsia or Kiwi.

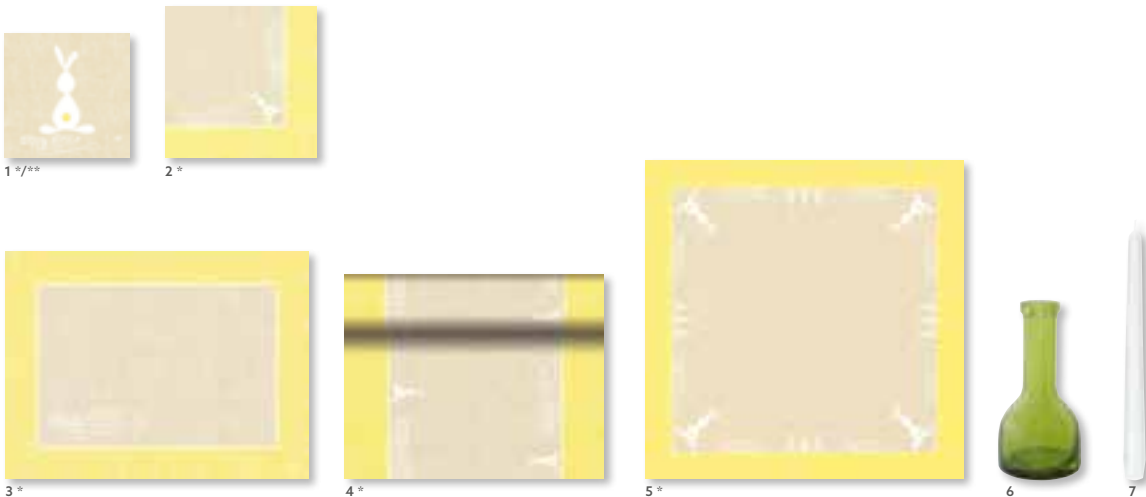

▼ **ANN-MARGRET BLUE.** Combining on-trend marine tones with a touch of African Lilac, Ann-Margret Blue offers a more masculine option. To show your guests you've thought of everything, combine with Pillar Candle Matt in Mint Blue.

▲ **FRED.** Fred's quirky bunny motif and fresh yellow border matches the playful spirit of spring. For added 'wow-factor' add Candle Holder Bote with a candle or seasonal flowers. Or, even better, both!
